

Prayer List for Lord's Move to Europe

1) Conference in Athens, Greece (8 – 9 March)

“Dear saints,

This weekend (8-9 March) will be the conference in Athens. We would like to write you this email, so that you can pray with us for the Lord's interest in Greece.

The topic of the conference is "the recovery of God's house and God's city." The five messages are taken from the 2004 Memorial Day messages given in Kansas City, MO. About 20 saints mainly from the US and the UK will be joining the local saints in the church life, as well as some seeking believers and readers of this ministry. We pray that these messages open the eyes of many seekers in Greece to see what God is building today, and renew the vision of the saints in the church life.

Please also pray with us to bind the enemy and all his work in the saints and the seekers, and in their environment. Some have fallen sick and some accidents have happened these days and we know the enemy is working hard. May the Lord release all the saints and seekers and grant us a strong spirit and an open heart to hear Him and respond to Him in the conference.

The weather forecast has said the weekend may be cold and wet. So, please also pray for a good weather, that the elderly saints and those who come from afar will not be deterred.

Yours in His one Body, The saints in Athens”

Also, pray for those distributing to be in the enjoyment of the Lord and to be covered and protected.
