HOPE OF GLORY
— Christ as the Glorification

1. Christ is the hope of glory, my very life is He,
He has regenerated and saturated me;
He comes to change my body by His subduing might
Like to His glorious body in glory bright!
He comes, He comes, Christ comes to glorify me!
My body He'll transfigure, like His own it then will be.
He comes, He comes, redemption to apply!
As Hope of glory He will come, His saints to glorify.

The Light of the Truth

Conclusion

**The Divine Dispensing of
the Divine Trinity**

The spiritual life... is fourfold. First, it was
the divine life in the Spirit . Second, it became
life in our spirit through regeneration. Then
from our spirit it saturates our mind ... and
becomes the life in our soul. Eventually, it will
permeate our body and become the life in our
body, ultimately issuing in the transfiguration
of our body. (Rom. 8:2 note 3)

Life Supply

Experience

Growing Together with Him

—Rom. 6:5

This denotes an organic union in which growth
takes place, so that one partakes of the life and
characteristics of the other. In the organic union with
Christ, whatever Christ passed through has become
our history. His death and resurrection are now ours
because we are in Him and are organically joined to
Him. This is grafting. (Rom. 6:5 note 1)

Application in Gospel

**Upon Vessels of Mercy ,
Even Us —Rom. 9:23-24**

God chose us that we might be
vessels of honor to contain Him. ...All
this is out of His mercy and according
to His mercy; it cannot be obtained by
our efforts. (Rom. 9:21 note 1)
